## Parking Policy

Effective April 1, 2015 the Board of Directors adopted a parking system in order to better accommodate and keep track of vehicles being parked in GreenTree Commons Condominium.

All owners and residents are required to complete this form in its entirety to register their vehicles and return the completed form to the Association's Management Office at the address, fax number or email address at the top of this form or email to [greentreecommons@gmail.com](mailto:greentreecommons@gmail.com).

**Please Note:** Any un-registered vehicle that belongs to an owner or resident parked in the community is subject to immediate tow at any time at the vehicle owner's expense.

If you are an absentee owner, it is your responsibility as the owner of the unit to notify your tenants on a timely basis in order to avoid their vehicle being towed. Please coordinate with your property manager if you contract with one.
