The Association Complaint shall be as specific as possible about the facts and circumstances, shall include references, to the extent the complainant has knowledge, to any provisions of law, regulations, the Governing Documents, Rules and resolutions, which are the subject of the Association Complaint and shall state the requested action or resolution. The Association has the option not to act upon any complaint for which insufficient information is provided, which does not in the Association's sole discretion constitute a valid complaint or that an owner or resident fails or refuses to submit in writing.
- 3. The Association manager will provide written acknowledgement of receipt of the completed Association Complaint Form within seven (7) days of receipt and shall state the date, time and location that the matter will be considered by the Covenants Committee. The acknowledgement shall be hand delivered or mailed by certified mail, return receipt requested, to the complainant at the mailing address or, provided the sender retains proof of delivery, by electronic transmission to the email address provided on the Association Complaint Form. - 4. If the complainant fails to respond within the timeframe by providing the additional requested information, the Association Complaint shall be deemed withdrawn. If an Association Complaint is deemed withdrawn, the Association manager shall notify the complainant in writing of such disposition by hand delivery, first class mail or email.
