In order to process your request, you must submit the following items listed below. If all of the items considered an application by the ASC is not supplied, your request may not be reviewed and approved. (It is understood that some items may not apply to your project. If you consider an item to be non-applicable, please annotate "N/A".)

- Site plan/survey, showing the location of improvement, setbacks, property lines. etc.
 - Total square footage of the structure.
 - Front, rear and both side elevations of structure, with a side or rear load garage defined.
 - Description and location of all-out structures: Walkways, driveways, paths, outdoor gym or playhouse, etc.
 - Description and location of all landscaping.
 - Photographs of existing structure and areas to be affected by improvement, including areas that are not fully owned and not completely within the property lines that will/may be disrupted.
- Time Schedule:** **Beginning Date:** _____ **Completion Date:** _____

Specify and describe the following with color, material, type, and finish as well as the detailed manufacturer's product description and specifications for the exterior surfaces.

Further conditions and requirements that shall be adhered to and made part of subsequent approval:

1. If any change occurs from the submitted and approved specifications, including but not limited to colors, materials, and finishes, please resubmit your request for approval detailing the changes.
2. If the approved time schedule (beginning and completion date) changes, please advise for approval the reasons for the delay and the revised dates.
3. Plumbing, roof stacks, vents, and other roof penetrations shall be in the rear of the house when possible and shall be painted to match the roof color so as not to be visible from the street.
4. Mechanical equipment located on the exterior of the house should be concealed from the public right of way view by use of a fence or landscaping.
5. Plans must conform to the restrictions and covenants of Oak Lake Estates Condominium Association recorded in the Circuit Court of the City of Chesapeake, VA.
6. Approval of the plans submitted shall not constitute approval of the plan on any other lot within Oak Lake Estates.
7. The approval of this Committee is not a substitute for the required city or state permits and approvals that may be necessary and that must be obtained. If this Committee's approval is in any violation or contradiction of any city or state code, the city or state code shall apply and this Committee, as well as the Board of Directors, shall not be held responsible.
8. Construction activities shall not be disturbing to the neighbors and should not begin prior to 8:00 AM.
9. The construction site, adjacent areas, walkways, and streets must be kept orderly, safe and free of debris and hazards at all times.
10. Management will maintain a copy of the plans for each project until the project is completed, at which time the homeowner/builder should contact Management to notify of project completion so that it may be inspected. Upon the inspection, the homeowner/builder may request plans to be returned.
