SAFE SWIMMER TEST FORM

- Passing the safe swimmers test will be required of any child, 12 or older, who wishes to use the pool without an adult present.

- The test will be administered by a lifeguard.

- The child must be accompanied with a parent who has a valid Pool Pass on file and the child's birth certificate (for proof of age).

- Once they have passed the test, they will exchange the Red wrist band for a Blue wrist band.

- This is to certify that _____ has passed the safe swimmer test on _____. This now means that he/she can swim at the pool without an adult present.

     ☐   Birth Certificate presented

     ☐   Valid adult pool pass presented

     ☐   Red wrist band returned

     ☐   Blue wrist band given
